Ice packs

They are re-usable, just pop in the freezer and take on a picnic or camping! Alternatively cut open, discard the liquid (in the event the liquid is poured down the drain there will be no negative environmental impact) and, if appropriate for your area, recycle plastic film with your domestic plastic recycling (check with your local authority). You can also hand the empty ice packs in with your carrier bags at your local supermarket.

Plastic pillows

100% recyclable – deflate and add to recycling

Wood wool (for packaging cheese)

100% biodegradable and compostable. Wood wool is a natural product that is made of kiln dried wood shavings. The processing of the product is purely mechanical so there are no added chemicals, which means that it safe for use with food

Plastic trays

100% recyclable. Remove food debris and place in your plastic recycling bin (check local listing).
Film lid not currently recyclable

Cardboard sleeve on food trays

100% recyclable with paper recycling

Chocolate mousse pots and olive pots

100% recyclable with plastic collection. Remove food debris prior to recycling

Ceramic pots

Re-use for food dips or as a small plant pot!
Not dishwasher safe

Vacuum Pouches

Please check with your local authority as these cannot be widely recycled in the UK.

Please check your local authority website for the most up to date information on the items they accept for recycling.
